

Jisun (Sunny) Ju

Vancouver, BC | P: +1 (604) 735 3940 | sunnyju318@gmail.com

Position

Entry-level Web Developer with a background in frontend development and hands-on experience in CMS-based website development and maintenance. Eager to contribute in a collaborative agency environment.

SKILLS

JavaScript (ES6+), React, React Native, HTML5, Tailwind CSS, CSS/SCSS, CMS (Statamic, WordPress - basic), Git/GitHub, Figma

EXPERIENCE

SplitMango Media Inc. / Frontend Developer Intern

Vancouver, BC (Feb 2026 – Mar 2026)

- Practiced website rebuild workflows using the team's Statamic design toolkit based on an existing site
- Built and modified page components using Antlers templating
- Developed responsive layouts using Tailwind CSS and Alpine.js
- Assisted with basic WordPress maintenance (plugin updates and site checks)
- Performed basic QA testing in a staging environment and explored performance improvements

BirdyJ Design / Founder & Designer

Australia (2017-2019), South Korea (2020-Present)

- Founded and ran a handmade accessories brand, overseeing design, sales, and support
- Sold products at offline flea markets in Australia and expanded to online sales in Korea via the IDUS platform
- Maintained a 5.0/5.0 customer rating and generated approximately \$30K in seasonal revenue

PROJECTS

SkyFrame (React Native, Bluesky AT Protocol) – In Progress

- Developing a third-party mobile client for Bluesky, focusing on visual-first discovery of art and design content
- Implemented user authentication and feed endpoints using the AT Protocol API, and designed an image-centric UI for enhanced browsing experience

Portfolio Website (React, SCSS, Framer Motion)

- Personal portfolio with interactive animations and responsive design

- Built SCSS design system with modular components that adapt across desktop and mobile

EDUCATION

British Columbia Institute of Technology (BCIT), Vancouver, BC
Diploma in New Media Design & Web Development
Graduated 2026 with Distinction

Sungkyul University, Anyang, South Korea
Bachelor of Social Welfare
Graduated 2011

ACHIEVEMENTS

Selected as a student representative to attend Web Summit 2025
Recipient of multiple BCIT scholarships and student awards
